

February 2022

As we are seeing the days get longer and the sun feeling warmer we are starting to plan for another exciting summer of music events at Oxbow Park and we'd love your support. The "Wednesday Night Live" music series is coming into its eleventh year and we've already started booking bands for the ten shows. These past two years have bit of a challenge and this year looks like we are close to the endemic so it will be an exciting summer of live music.

The community involvement in the music series has been spectacular. Over the years many of the local nonprofits and school organizations promoted themselves and their missions including River Arts hosting a free arts tent, Copley Hospital outreach, Noyes House Museum and many more. The music series has been an opportunity for the community to come together in a healthy social environment.

To add to the roster of great live local musicians and vendors we are asking for your support to sponsor the 10 weeks of free summer music. Your contribution will help tremendously. The sponsorship is \$300.00 per year for the music series and your business name/logo will be on all of our printed literature and displayed on the banner at all the events. Please let me know if you would like to be part of this great music series, one of our many fabulous community assets and a healthy venue for all.

Do not hesitate to contact me with your further thoughts, ideas or concerns.

Many thanks,

Tricia Follert
